

JUNE 2013

NEWS & NOTES

A monthly newsletter to keep you informed.

June 15th BBQ & Membership Gathering Postponed

We are looking forward to **Saturday September 28th** to share the day with you. Please save that date. We will keep you informed about the day...fun, food, activities and a raffle of wonderful items...**STAY TUNED!**

SKILL SHARES

Many of you have expressed interest in our solar hot air panels. Have no fear a skills training is being planned...hands on...learn while you work...we will soon have instructional plans and a video for easy installation. We will be in touch with you soon.

Please [contact us so you are placed on our invitation list](#)

ENERGY RAISER

Jarda is passing an Apricus Solar Hot Water tube to Micum who will hand it off to Michael who will place it in the Manifold. Almost as soon as the tubes were placed it started heating up....Raphael and Kerri are enjoying hot water heated by the sun. You too can benefit from the FREE solar rays....contact us. We're happy to come to your home and conduct a solar pathfinder study of your home and your lot...A solar array, decreased heating costs, joining the community of people who are interested in reducing fossil fuel consumption...what a deal!

Even if you are unable to place a solar system on your home, join SEAREI...be part of the work team, come to our skills training and learn about weatherization, solar hot air panels, and more...support our work. We are eager to keep up our good works, we need your support.

Weatherization Raiser

Julia O'Connell invited SEAREI into her home to demonstrate a blower door...Then we helped her weatherize based on the report...As soon as she completes all the tasks, we'll go in with another blower door test for a comparative analysis. Want to join us?

Let us know you are interested and when we return to demonstrate the

blower door again, we'll be sure to inform you.
